KAISER

Decorative Receptacles for Waste and Recycling

BLACK TIE SERIES

Make Recycling Stylish & Low Profile

The Black Tie Series is a highly refined waste collection solution that is designed to impress. This collection is an evolution of the Kaleidoscope Collection and has been crafted to cater to upscale facilities. Available in three standard color options, two standard lid openings, and over 30 decals to choose from. The Black Tie series is the perfect solution for managing multiple waste streams simultaneously.

The Black Tie Series is available in four different capacities - 8, 17, 24, and 36 gallons, providing options for different waste volumes. The versatility of this collection is further enhanced by the ability to mix and match unit sizes, colors, lid types, and decals to create the ultimate waste collection station.

Its stylish and elegant design, combined with its functional features, makes it a perfect fit for upscale hotels, restaurants, and other high-end establishments. With the Black Tie Series, managing waste has never been so effortless, classy, and efficient.

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
