

EX-CELL

KAISER

LIQUIDS DISPOSAL UNIT

LD-10 SS

Ex-Cell Kaiser's Liquids Disposal unit allows for safe and mess-free disposal of up to 10 gallons of liquids.

With a clear visual message, it is easily placed in convenient locations prior to the point of entry into airport security/screening areas, stadiums, theaters, concert halls and other areas where outside liquids and beverages are not permitted.

SPECIFICATIONS:

- 16 gauge stainless steel fabricated body
- All welded construction with seamless top
- Sink is 10.75" in diameter, 4.5" deep, with 1.5" drain that features a snap-in screen
- Snap-in screen prevents trash & non-liquids from entering the retention tank
- Rear access door allows for easy emptying of liquids and includes quarter turn latch closure
- Easy view 1.5" x 14" window for monitoring liquid level
- Each unit includes a leak-proof 10-gallon removable LLDPE-FDA resin retention tank
- Retention Tank features an 8" removable lid, 3/4" quick connect valve w/ 3/4" drain tube
- Unit ships with 4 heavy-duty 3" casters for superior maneuverability
- Contains over 60% recycled materials & is 100% post-consumer recyclable

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
